

VERY GOOD TO EXCELLENT

La Guli

Food	Decor	Service	Cost
24	25	22	1

Review Highlights - This "classic old-style Italian neighborhood bakery" (circa 1937) "can't be beat" according to adoring Astorians who adore its "fresh and delicious" baked goods... gelati and ices; just as customers "who have moved away" still "come back for the treats", the "original owners" bought back this family business a few years back and set about restoring its "original pizzazz."
